Glenrothes (2013/2024) - Malt of Scotland

Gingerbread and cinnamon stars are filling the shelves everywhere - the perfect way to get in the mood for the cold season, not only in terms of food but also in terms of whisky. Malt of Scotland has the perfect whisky for this: Glenrothes, bottled exclusively for WHISKY & ART. The artistic label, designed by David Schlierenkämper, shows the Glenrothes distillery and also makes the bottle a small collector's item.

TASTING NOTES

NOSE

The first impression on nosing is immediately reminiscent of a winter fruit market. Cinnamon-plum jam dominates the flavour, followed by the sweet depth of cherry jam and the aroma of wild strawberries and blackberries. These are joined by subtle notes of nutty chocolate and a pleasant spiciness reminiscent of tobacco. You immediately feel like you're in a cosy corner of the sofa next to the Christmas tree.

PALATE

The Glenrothes unfolds its full power on the tongue. Spicy and warming is the best description here, and again it is the plums and cherries that dominate the flavour. A dark, sweet fruitiness reminiscent of nut chocolate and blackberries is complemented by the earthy flavour of roasted walnuts and tobacco. The flavours of old wood and dried fruit resonate in the background - this combination gives the whisky depth and impressive complexity without being too overpowering.

FINISH

The finish is of medium length and brings the plum back to life. The spicy finish goes perfectly with the Christmas notes and makes you want to take the next sip. A pleasant tingling sensation remains on the palate, which prolongs the enjoyment a little longer.
