Whisky reviews. Since 2022.

## Tomatin Legacy

The Tomatin Legacy is a Scotch whisky from the Scottish Highlands and the entry-level bottling from the Tomatin Distillery. It tells the story of the distillery that once revitalised a remote area and created a thriving community. But what's inside the bottle?

TYPE	COUNTRY	REGION	DISTILLERY
Single Malt	Scotland	Highlands	Tomatin
AGE	ABV	PRICE/LITER	
NAS	43% Vol.	34.14 €/l	

### TASTING NOTES

#### NOSE

This is all about lightness and elegance. The fragrance is pleasantly sweet with a fine blend of vanilla biscuits, honey and a slightly malty note. This is joined by a fresh, fruity component - citrus fruits such as lime and orange are clearly perceptible, while a subtle tropical pineapple resonates in the background.

#### PALATE

The Legacy is just as mild and friendly on the tongue as it is on the nose. Icing sugar and honey lend it a pleasant sweetness, while pear and a light grassy freshness provide variety. The texture is creamy, which makes the whisky pleasantly round. A gentle oak note creeps in in the background - not too dominant, but with a slightly soapy touch.

#### FINISH

The finish is rather short and ends on a fresh, tangy note.

### THOUGHTS

#### MARCEL

The Tomatin Legacy is like a cozy evening with an old friend – straightforward, friendly, and warm. It offers sweet vanilla notes and gentle fruitiness that's simply enjoyable without making a fuss. For anyone looking for an uncomplicated entry-level single malt, this whisky is a pleasant companion.

#### SASCHA

With its balanced profile of vanilla, honey, and subtle citrus aromas, the Tomatin Legacy presents itself as a solid Highland whisky with a pleasant creaminess and mild oak structure. Despite its clear and approachable balance, it lacks a bit of depth and complexity to rise above everyday standards.

### RATINGS

MARCEL  
**72/100**  
Very good

SASCHA  
**74/100**  
Very good
