Woodford Reserve Distiller's Select

Woodford Reserve Distiller's Select is a Kentucky bourbon known for its classic yet full-bodied style. The Woodford Reserve Distillery produces a series of four straight whiskeys, each highlighting a primary grain. The Distiller's Select is a bourbon, meaning it contains at least 51% corn, complemented by rye and malted barley. One standout feature is its pot still distillation – a rarity among Kentucky bourbons, adding depth and complexity to the final product.
